

**GLOBAL TERRORISM DATABASE™  
END USER LICENSE AGREEMENT**

1. GTD means Global Terrorism Database™ produced and maintained by the National Consortium for the Study of Terrorism and Responses to Terrorism (START) at the University of Maryland ("UMD"). This includes the data, the codebook, any auxiliary materials present, and the user interface by which the data are presented. CHC and CHC Global are trading names of CHC Insurance Services Ltd (CHC) which is an Appointed Representative of Ambant Ltd, a company authorized and regulated by the Financial Conduct Authority under firm reference number 486865 to carry on insurance distribution activities. CHC is registered in England and Wales company number 10942687. CHC is the sole licensee and distributor of GTD data. The University of Maryland is responsible for producing all of the data comprising the GTD.
2. LICENSE GRANT. CHC as the Licensor hereby grants Licensee a revocable, non-exclusive, non-transferable right and license to access and use the GTD, in the current form as of the Effective Date, to conduct research and analysis for Non-Commercial Purposes.
  - a. "Non-Commercial Purposes" shall mean the use under this license to a third-party for scholarly, educational, research, or other not-for-profit purposes and not involving the use of the GTD;
    - i. to perform services for a fee or,
    - ii. to produce or manufacture products for sale to third parties or,
    - iii. to enhance the commercial or reputational advantage of an organization, or
    - iv. by a Public Sector Body or an International Organization.
  - b. "Public Sector Body" shall mean any Body, corporate or otherwise, that performs its duties and exercises its powers, for the public benefit, as opposed to private gain.
  - c. "International Organization" shall mean an organization established by a treaty or other instrument governed by international law and possessing its own international legal personality.
3. RESTRICTIONS. Licensee agrees NOT to:
  - a. Publicly post or display any part of GTD without express written permission by Licensor other than quoting the GTD in Licensee's reports, papers, or analyses;
  - b. Sell, license, sublicense or otherwise distribute any part of the GTD to third parties whether for cash or any other considerations or none;
  - c. Modify, hide, delete or interfere with any notices that are included in the GTD;
  - d. Use the GTD to draw conclusions about the official legal status or criminal record of an individual, or the status of a criminal or civil investigation;
  - e. Interfere with or disrupt the GTD, its website or servers and networks connected to the GTD website;
  - f. Interfere with or disrupt the Licensor's business or any website of the Licensor involved in the marketing and/or distribution of the GTD or;
  - g. Use robots, spiders, crawlers, automated devices and similar technologies to screen-scrape the site or to engage in data aggregation or indexing of the GTD other than to produce search results on a publicly available search engine.
4. LICENSE FEE.
  - a. Licensee shall, as a non-commercial user, pay no license fee in respect of this license.
  - b. Licensee shall bear any applicable import taxes or duties in respect of its taking a license hereunder of the GTD.
  - c. If Licensee is found to have used the GTD for any purpose other than the Non-Commercial Purposes granted under this Agreement, the Licensee shall be liable to pay the Licensor the Licensor's then standard license fee for commercial purposes, currently £25,000 per annum.
  - d. If Licensee is found to have violated the non-transferability of the rights it has been granted under this Agreement, in any manner whatsoever, Licensee will be liable to pay a license fee equivalent to the Licensor's then standard license fee for the GTD, together with any damages (such as for lost revenue) arising from the GTD, or any part thereof, being made freely available.
  - e. If any licensee fee is due and is not paid, the Licensee's right to use the GTD shall immediately stop.
5. LICENSEE'S RESPONSIBILITIES:
  - a. All information sourced from the GTD should be acknowledged and cited as follows: "National Consortium for the Study of Terrorism and Responses to Terrorism (START), University of Maryland. (2019). The Global Terrorism Database™."
  - b. Licensee agrees to acknowledge any copyrightable materials with a copyright notice "Copyright University of Maryland 2019".
  - c. Any modifications Licensee make to the GTD for published analysis must be clearly documented and must not misrepresent analytical decisions made by START.
6. INTELLECTUAL PROPERTY. The University of Maryland owns all rights, title, and interest in the GTD, including the Global Terrorism Database™, the data and codebook, user interface, and all auxiliary materials. This Agreement does not grant Licensee any rights, title or interests in the GTD other than those expressly granted under this Agreement.

7. DISCLAIMER AND LIMITATION ON LIABILITY.

- a. The GTD is made available to Licensor and therefore is made available by Licensor on an "As Is" basis. Licensor disclaims any and all representations and warranties – whether express or implied, oral or written, in fact or arising by operation of law – with respect to the GTD, including but not limited to; warranties of merchantability, satisfactory quality, fitness for a particular purpose, and non-infringement of the intellectual property or proprietary rights of any third party. Licensor makes no representation or warranty that the GTD will operate error free or in an uninterrupted fashion.
- b. In no event will the Licensor be liable to Licensee for any incidental, special, punitive, exemplary or consequential damages of any kind, including lost profits or business interruption, even if advised of the possibility of such claims or demands, whether in contract, tort, or otherwise, arising in connection with Licensee's access to and use of the GTD or other dealings. This limitation upon damages and claims is intended to apply without regard to whether other provisions of this Agreement have been breached or proven ineffective. In no event will Licensor's total liability for the breach or nonperformance of this Agreement exceed any fees paid to Licensor within the current billing cycle.
- c. Every reasonable effort has been made to check sources and verify facts in the GTD; however, Licensor cannot guarantee that accounts reported in the open literature are complete and accurate. Licensor shall not be held liable for any loss or damage caused by errors or omissions or resulting from any use, misuse, or alteration of GTD data by the Licensee. The Licensee should not infer any additional actions or results beyond what is presented in a GTD entry and specifically, the Licensee should not infer an individual referenced in the GTD was charged, tried, or convicted of terrorism or any other criminal offense.
- d. Licensor is under no obligation to update or provide any other version of the GTD, the codebook, user interface, or any auxiliary materials, except for the most current version as of the Effective Date. If new documentation about an event becomes available, START may modify the data as necessary and appropriate.
- e. Limitation of liability. Notwithstanding any other clause, Licensor shall not be liable to Licensee for any losses or costs that may be incurred in excess of £1,000,000. Licensor considers this limitation of liability to be fair and reasonable and Licensee confirms agreement both to this view and the limitation itself by using the GTD.

8. EXPORT CONTROL. It is understood that University of Maryland is subject to United States laws and regulations controlling the export of certain commodities, including the Arms Export Control Act and the Export Administration Act, and that Licensee may require a license from the relevant agency of the United States Government as a condition of exporting covered commodities to certain foreign countries. It is understood that CHC is subject to English Law and regulations controlling the export of certain commodities. Licensor makes no representation as to the necessity of such a license or as to the likelihood that such a license will be issued if one is required.

9. MISCELLANEOUS

- a. Licensee agrees that Licensor may provide information relating to this Agreement to UMD as reasonably required by UMD.
- b. This Agreement shall commence as of the Effective Date. Licensee's right to access the GTD and use the data, the codebook, and any auxiliary materials will take effect upon Licensor's receipt of Licensee's online agreement to this End User License Agreement.
- c. No term of this Agreement can be waived except by the written consent of the party waiving compliance.
- d. If any provision of this Agreement is determined by a court of competent jurisdiction to be void, invalid, or otherwise unenforceable, such determination shall not affect the remaining provisions of this Agreement.
- e. This Agreement does not create a joint venture, partnership, employment, or agency relationship between the Parties.
- f. There are no third party beneficiaries to this Agreement. Licensee may not assign this agreement without the Licensor's prior written approval.
- g. This Agreement shall be governed by and interpreted in accordance with the laws of England and Wales, by whose courts all disputes arising out of or relating to this Agreement shall be determined exclusively.
- h. This Agreement represents the entire agreement between Licensee and the Licensor regarding the subject matter of paragraphs 1-9. There are no other understandings, written or oral, that are not included in this Agreement.

This Agreement, is entered into as of the date the Licensee's online Agreement to this End User License Agreement , [2019] ("Effective Date") by and between CHC Insurance Services Ltd, a company registered in England and Wales registration number 10942687, ("Licensor"), and the individual researcher named in the online Agreement to this End User License Agreement, ("Licensee").
